

THE DALAI LAMA

THE DALAI LAMA

MESSAGE

Clean water is one of the basic requirements for life. Consequently, disputes over access to water and water sources are one of the most fundamental causes of human conflict. Therefore, the work of the Waterfoundation in providing clean water to people in various countries where it is desperately needed is not only a precious gift in itself, but also substantially contributes to peace in the world. I believe this work is very worthy of support.

A handwritten signature in blue ink, appearing to be the name 'Himmler' or similar, written in a stylized, cursive script.
